

# Royal Black

PORCELAIN · 4" × 24" AND 6" × 24" MATTE · QUICK SHIP · STOCKED IN THE USA

A deep, solid black porcelain with a fine matte texture, color through the body so chips and cut edges stay black. Rectified for tight joints. Used as a clean, durable wall base in fitness clubs, locker rooms and commercial interiors.

Matte

## TECHNICAL DATA

|                     |                                                         |
|---------------------|---------------------------------------------------------|
| MATERIAL            | Unglazed porcelain, through-body color, rectified edges |
| FINISH              | Matte                                                   |
| THICKNESS           | 3/8"                                                    |
| WATER ABSORPTION    | < 0.5% (ANSI A137.1 / ISO 10545-3)                      |
| DEEP ABRASION       | 136 mm <sup>3</sup> (ISO 10545-6)                       |
| SCRATCH HARDNESS    | 9 Mohs                                                  |
| BREAKING STRENGTH   | ≥ 500 lbf (ANSI) · ≥ 2,200 N (ISO)                      |
